Worldwide Reach

Participants from around the world recognize the value of pension education and offer unique perspectives.

The ICPM Experience

Academia & Practitioners Intersect

World-class professors translate the latest research in the field into practical takeaways

Exclusive to Asset Owners

Pension funds connect in a safe space free from sell-side and media

Global Perspectives

Meet peers & speakers from around the world

Small class setting

Small cohorts learn in an immersive environment enriched with networking opportunities

"Sharing of our different country perspectives in pension fund designs and administration helped me to enhance my own understanding of possibilities that exist in future pension designs and management."

Zethu Msindo
Board Member, South Africa

GEPF

"The program gave me an insight into effective communication through the presentations and was enriched by the good discussions with an international group of board members and communication specialists."

Selma Skalli-Gouderjaan
Board Chair, Netherlands

Pensioenfonds Detailhandel

"The program opened my eyes to the various types of market research and behavioural science insights that I can leverage to make more informed decisions about the effectiveness of our communications and member engagement strategies."

Jackie DeSouza
VP, Pension Communications & Engagement, Canada
